ARTICLE I
Introductory Provisions

Section 1.01 *Application of General Conditions*

(a) These General Conditions set forth terms and conditions generally applicable to the Legal Agreements, to the extent the Legal Agreements so provide. If there is no Project Agreement between the Association and a Project Implementing Entity or Subsidiary Agreement between the Recipient and the Project Implementing Entity, references in these General Conditions to the Project Implementing Entity, the Project Agreement or the Subsidiary Agreement shall be disregarded.

(b) The provisions contained herein shall apply to both Concessional Financing and Non-concessional Financing, unless a particular Section or an Article included in these General Conditions explicitly provides that it shall solely apply to Concessional Financing or Non-concessional Financing, as applicable (a “Specific Provision”). In the event a Specific Provision is inconsistent, contrary or irreconcilable with other provisions of these General Conditions, such Specific Provision shall prevail.

Section 1.02 *Inconsistency with Legal Agreements*

If any provision of the Financing Agreement or the Project Agreement is inconsistent with a provision of these General Conditions, the provision of the Financing Agreement or the Project Agreement shall prevail.

Section 1.03 *Definitions*

Capitalized terms used in these General Conditions have the meanings set out in the Appendix.

Section 1.04 *References; Headings*

References in these General Conditions to Articles, Sections and Appendix are to the Articles and Sections of, and the Appendix to, these General Conditions. The headings of the Articles, Sections and Appendix, and the Table of Contents are inserted in these General Conditions for reference only and shall not be taken into consideration in interpreting these General Conditions.

ARTICLE II
Withdrawals

Section 2.01 *Financing Account; Withdrawals Generally; Currency of Withdrawal*

(a) The Association shall credit the amount of the Financing to the Financing Account in Special Drawing Rights or, as the Association may reasonably determine, in any other Currency.

(b) The Recipient may from time to time request withdrawals of Financing amounts from the Financing Account in accordance with the provisions of the Financing Agreement, the Disbursement and Financial Information Letter, and such additional instructions as the Association may specify from time to time by notice to the Recipient.

(c) The Association shall, at the request and acting as an agent of the Recipient, and on such terms and conditions as the Association shall determine, purchase with the Currency withdrawn from the Financing Account such Currencies as the Recipient shall reasonably request to meet payments for Eligible Expenditures. In the event the amount of the Financing has been credited to the Financing Account in Special Drawing Rights, the amount of each withdrawal from the Financing Account shall be calculated as the equivalent in terms of Special Drawing Rights (determined as of the date of withdrawal) of the Currency or Currencies so requested.

Section 2.02 *Special Commitment by the Association*

At the Recipient's request and on such terms and conditions as the Recipient and the Association shall agree, the Association may enter into special commitments in writing to pay amounts for Eligible Expenditures notwithstanding any subsequent suspension or cancellation by the Association or the Recipient ("Special Commitment").

Section 2.03 *Applications for Withdrawal or for Special Commitment*

(a) When the Recipient wishes to request a withdrawal from the Financing Account or to request the Association to enter into a Special Commitment, the Recipient shall promptly deliver to the Association a written application in such form and substance as the Association shall reasonably request.

(b) The Recipient shall furnish to the Association evidence satisfactory to the Association of the authority of the person or persons authorized to sign such applications and the authenticated specimen signature of each such person.

(c) The Recipient shall furnish to the Association such documents and other evidence in support of each such application as the Association shall reasonably request, whether before or after the Association has permitted any withdrawal requested in the application.

(d) Each such application and accompanying documents and other evidence shall be sufficient in form and substance to satisfy the Association that the Recipient is entitled to withdraw from the Financing Account the amount applied for and that the amount to be withdrawn from the Financing Account shall be used only for the purposes specified in the Financing Agreement.

(e) The Association shall pay the amounts withdrawn by the Recipient from the Financing Account only to, or on the order of, the Recipient.

Section 2.04 *Designated Accounts*

(a) The Recipient may open and maintain one or more designated accounts into which the Association may, at the request of the Recipient, deposit amounts withdrawn from the Financing

Account as advances for purposes of the Project. All designated accounts shall be opened in a financial institution acceptable to the Association, and on terms and conditions acceptable to the Association.

(b) Deposits into, and payments out of, any such designated account shall be made in accordance with the Financing Agreement and such additional instructions as the Association may specify from time to time by notice to the Recipient, including the World Bank Disbursement Guidelines for Projects. The Association may, in accordance with the Financing Agreement and such instructions, cease making deposits into any such account upon notice to the Recipient. In such case, the Association shall notify the Recipient of the procedures to be used for subsequent withdrawals from the Financing Account.

Section 2.05 *Eligible Expenditures*

Expenditures eligible to be financed out of the Financing proceeds shall, except as otherwise provided in the Legal Agreements, satisfy the following requirements (“Eligible Expenditures”):

(a) the payment is for the reasonable cost of Project activities that meet the requirements of the relevant Legal Agreements;

(b) the payment is not prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; and

(c) the payment is made on or after the date of the Financing Agreement, and, except as the Association may otherwise agree, is for expenditures incurred on or before to the Closing Date.

Section 2.06 *Financing Taxes*

The use of any proceeds of the Financing to pay for Taxes levied by, or in the territory of, the Recipient on or in respect of Eligible Expenditures, or on their importation, manufacture, procurement or supply, if permitted pursuant to the Legal Agreements, is subject to the Association’s policy of requiring economy and efficiency in the use of the proceeds of its credits and grants. To that end, if the Association at any time determines that the amount of any such Tax is excessive, or that such Tax is discriminatory or otherwise unreasonable, the Association may, by notice to the Recipient, adjust the percentage of such Eligible Expenditures to be financed out of the proceeds of the Financing.

Section 2.07 *Refinancing Preparation Advance; Service, Interest and Other Charges*

(a) If the Recipient requests the repayment out of the proceeds of the Financing of an advance (or a portion thereof) made by the Bank or the Association (“Preparation Advance”) and the Association agrees to such request, the Association shall, on behalf of the Recipient, withdraw from the Financing Account on or after the Effective Date the amount required to repay the withdrawn and outstanding balance of the advance (or a portion thereof) as at the date of such withdrawal from the Financing Account and to pay all accrued and unpaid charges, if any, on the advance as at such date. The Association shall pay the amount so withdrawn to itself or the Bank, and, unless otherwise agreed between the Association and the Recipient, and shall cancel the remaining unwithdrawn amount of the advance.

(b) If the Recipient requests that the Service Charge, Interest Charge, Commitment Charge, or other charges on the Credit, as applicable, be paid out of the proceeds of the Credit and the Association agrees to such a request, the Association shall, on behalf of the Recipient, withdraw from the Credit Account on each of the Payment Dates, and pay to itself the amount required to pay such interest and other charges accrued and payable as at such date, subject to any limit specified in the Financing Agreement on the amount to be so withdrawn.

Section 2.08 *Allocation of Financing Amounts*

If the Association reasonably determines that in order to meet the purposes of the Financing it is appropriate to reallocate Financing amounts among withdrawal categories, modify the existing withdrawal categories, or modify the percentage of expenditures to be financed by the Association under each withdrawal category, the Association may, after consultation with the Recipient, make such modifications, and shall notify the Recipient accordingly.

ARTICLE III
Financing Terms

This Article III is divided into Part A, with Financing Terms applicable to Concessional Financing only, Part B, with Financing Terms applicable to Non-concessional Financing only, and Part C, with Financing Terms applicable to both Concessional Financing and Non-concessional Financing.

Part A. Financing Terms Applicable to Concessional Financing Only

Section 3.01 *Application of Part A to Article III*

The provisions of Part A to this Article III shall apply solely to Concessional Financing.

Section 3.02 *Commitment Charge*

(a) The Recipient shall pay the Association a commitment charge on the Unwithdrawn Financing Balance at the rate set by the Association as of June 30 of each year (“Commitment Charge”), which shall not exceed the rate specified in the Financing Agreement (“Maximum Commitment Charge Rate”).

(b) The Commitment Charge shall accrue from a date sixty (60) days after the date of the Financing Agreement to the respective dates on which amounts are withdrawn by the Recipient from the Financing Account or cancelled. The Commitment Charge shall accrue at the rate set as of the June 30 immediately preceding the accrual date and at such other rate as may be set from time to time thereafter pursuant to this Section. The rate set as of June 30 in each year shall be applied from the next Payment Date in that year. Except as otherwise provided in Section 2.07 (b), the Commitment Charge shall be payable semi-annually in arrears on each Payment Date. The Commitment Charge shall be computed on the basis of a 360-day year of twelve 30-day months.

(c) The Association shall notify the Recipient of the applicable Commitment Charge promptly upon its determination.

Section 3.03 *Service Charge*

The Recipient shall pay the Association a service charge on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. The service charge shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Service Charges shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.04 *Interest Charge*

The Recipient shall pay the Association interest on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. Interest shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.05 *Repayment of the Credit*

(a) *Repayment Generally.* Subject to the provisions of paragraph (b) of this Section, the Recipient shall repay the Withdrawn Credit Balance to the Association in installments as provided in the Financing Agreement.

(b) *Accelerated Repayment.*

- (i) The Association may modify the repayment of installments of the Withdrawn Credit Balance as provided in the Financing Agreement in accordance with subparagraph (ii) or (iii) of this paragraph whenever all of the following events have occurred: (A) the Recipient's per capita gross national income, as determined by the Association, has exceeded for three consecutive years the level established annually by the Association for determining eligibility to access the Association's resources; (B) the Bank considers the Recipient's creditworthy for Bank lending; and (C) after due consideration of the development of the Recipient's economy, the Executive Directors of the Association have reviewed and approved such modification.
- (ii) The Association shall, upon the occurrence of the events referred to in paragraph (b) (i) of this Section: (A) require the Recipient to repay twice the amount of each installment of the Withdrawn Credit Balance not yet due until the Credit has been fully repaid; and (B) require the Recipient to commence such repayment as of the first semiannual Principal Payment Date falling six (6) months or more after the date on which the Association notifies the Recipient that such events have occurred; provided, however, that there shall be a grace period of a minimum of five years on such repayment.
- (iii) Alternatively, if so requested by the Recipient, the Association may revise the terms specified in subparagraph (ii) of this paragraph to include, in lieu of some or all of the increase in the amounts of such installments, the payment of interest at an annual rate agreed with the Association on the Withdrawn Credit Balance; provided that, in the judgment of the Association, such revision shall not change

the grant element provided under such terms.

- (iv) If, at any time after the repayment terms have been modified pursuant to subparagraph (i) of this Section, the Association determines that the Recipient's economic condition has deteriorated significantly, the Association may, if so requested by the Recipient, further revise the terms of repayment of the Withdrawn Credit Balance to conform to the schedule of installments originally provided in the Financing Agreement, taking into account any repayments already made by the Recipient.

Section 3.06 *Prepayment*

The Recipient may repay the Association in advance of maturity all or any part of the principal amount of one or more maturities of the Credit specified by the Recipient.

Part B. Financing Terms Applicable to Non-concessional Financing Only

Section 3.07 *Application of Part B to Article III*

The provisions of Part B to this Article III shall apply solely to Non-concessional Financing.

Section 3.08 *Front-end Fee; Commitment Charge*

(a) The Recipient shall pay the Association a Front-end Fee on the Credit amount at the rate specified in the Financing Agreement (the "Front-end Fee"). Except as otherwise provided in Section 3.08 (b), the Recipient shall pay the Front-end Fee not later than sixty (60) days after the Effective Date.

(b) If the Recipient requests that the Front-end Fee be paid out of the proceeds of the Credit and the Association agrees to such a request, the Association shall, on behalf of the Recipient, withdraw from the Credit Account and pay to itself such fee.

(c) No withdrawal of any Credit amount from the Credit Account shall be made (other than to repay the Preparation Advance) until the Association has received from the Recipient payment in full of the Front-end Fee.

(d) The Recipient shall pay the Association a Commitment Charge on the Unwithdrawn Credit Balance at the rate specified in the Financing Agreement. The Commitment Charge shall accrue from a date sixty (60) days after the date of the Financing Agreement to the respective dates on which amounts are withdrawn by the Recipient from the Credit Account or cancelled. Except as otherwise provided in Section 2.07 (b), the Recipient shall pay the Commitment Charge semi-annually in arrears on each Payment Date.

Section 3.09 *Interest Charge*

(a) The Recipient shall pay the Association interest on the Withdrawn Credit Balance at the rate specified in the Financing Agreement; provided, however, that the interest rate applicable to any Interest Period payable shall in no event be less than zero percent (0%) per annum; and provided further that, such rate may be modified from time to time in accordance with the provisions of Article

IV. Interest shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Interest Charges shall be computed using a day-count convention reasonably determined by the Association.

(b) If interest on any amount of the Withdrawn Credit Balance is based on a Variable Spread, the Association shall notify the Recipient of the interest rate on such amount for each Interest Period, promptly upon its determination.

(c) If interest on any amount of the Credit is based on a Reference Rate, and the Association determines that (i) such Reference Rate has permanently ceased to be quoted for the relevant Credit Currency, or (ii) the Association is no longer able, or it is no longer commercially acceptable for the Association, to continue to use such Reference Rate, for purposes of its asset and liability management, the Association shall apply such other Reference Rate for the relevant Credit Currency, including any applicable spread, as it may reasonably determine. The Association shall promptly notify the Recipient of such other rate and related amendments to the provisions of the Financing Agreements, which shall become effective as of the date set forth in such notice.

(d) If interest on any amount of the Withdrawn Credit Balance is payable at the Variable Rate, then whenever, in light of changes in market practice affecting the determination of the interest rate applicable to such amount, the Association determines that it is in the interest of its borrowers as a whole and of the Association to apply a basis for determining such interest rate other than as provided in the Financing Agreement, the Association may modify the basis for determining such interest rate upon not less than three months' notice to the Recipient of the new basis. The new basis shall become effective on the expiry of the notice period unless the Recipient notifies the Association during such period of its objection to such modification, in which case the modification shall not apply to such amount of the Credit.

(e) Notwithstanding the provisions of Section 3.09 (a), if any amount of the Withdrawn Credit Balance remains unpaid when due and such non-payment continues for a period of thirty (30) days, then the Recipient shall pay the Default Interest Rate on such overdue amount in lieu of the interest rate specified in the Financing Agreement (or such other interest rate as may be applicable pursuant to Article IV as a result of a Conversion) until such overdue amount is fully paid. Interest at the Default Interest Rate shall accrue from the first day of each Default Interest Period and shall be payable semi-annually in arrears on each Payment Date.

Section 3.10 *Repayment of the Credit*

(a) The Recipient shall repay the Withdrawn Credit Balance to the Association in accordance with the provisions of the Financing Agreement, and, if applicable, as further provided in paragraphs (b), (c), (d) and (e) of this Section 3.10. The Withdrawn Credit Balance shall be repaid on either a Commitment-linked Amortization Schedule or a Disbursement-linked Amortization Schedule.

(b) For Credits with a Commitment-linked Amortization Schedule:

The Recipient shall repay the Withdrawn Credit Balance to the Association in accordance with the provisions of the Financing Agreement provided that:

(i) If the proceeds of the Credit have been fully withdrawn as of the first Principal Payment Date specified in the Financing Agreement, the principal amount of the

Credit repayable by the Recipient on each Principal Payment Date shall be determined by the Association by multiplying: (x) the Withdrawn Credit Balance as of the first Principal Payment Date; by (y) the Installment Share specified in the Financing Agreement for each Principal Payment Date, adjusted, as necessary, to deduct any amounts to which a Currency Conversion applies in accordance with Section 3.10 (e).

- (ii) If the proceeds of the Credit have not been fully withdrawn as of the first Principal Payment Date, the principal amount of the Credit repayable by the Recipient on each Principal Payment Date shall be determined as follows:

(A) To the extent that any proceeds of the Credit have been withdrawn as of the first Principal Payment Date, the Recipient shall repay the Withdrawn Credit Balance as of such date in accordance with the Amortization Schedule under the Financing Agreement.

(B) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Association by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the Financing Agreement for said Principal Payment Date and the denominator of which is the sum of all remaining original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any amounts to which a Currency Conversion applies in accordance with Section 3.10 (e).

- (iii) (A) Amounts of the Credit withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(B) Notwithstanding the provisions of this paragraph, if at any time the Association adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of this paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.

- (c) For Credits with Disbursement-linked Amortization Schedule:

- (i) The Recipient shall repay the Withdrawn Credit Balance to the Association in accordance with the provisions of the Financing Agreement.
- (ii) The Association shall notify the Recipient of the Amortization Schedule for each Disbursed Amount promptly after the Maturity Fixing Date for the Disbursed Amount.

(d) If the Withdrawn Credit Balance is denominated in more than one Credit Currency, the provisions of the Financing Agreement and this Section 3.10 shall apply separately to the amount denominated in each Credit Currency (and a separate Amortization Schedule shall be produced for each such amount, as applicable).

(e) Notwithstanding the provisions in paragraphs (b) (i) and (ii) above and in the Amortization Schedule in the Financing Agreement, as applicable, upon a Currency Conversion of all or any portion of the Withdrawn Credit Balance or Disbursed Amount, as applicable, to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Association in accordance with the Conversion Guidelines.

Section 3.11 *Prepayment*

(a) After giving not less than forty-five (45) days' notice to the Association, the Recipient may repay the Association the following amounts in advance of maturity, as of a date acceptable to the Association (provided that the Recipient has paid all Financing Payments due as at such date, including any prepayment premium calculated pursuant to paragraph (b) of this Section): (i) the entire Withdrawn Credit Balance as at such date; or (ii) the entire principal amount of any one or more maturities of the Credit. Any partial prepayment of the Withdrawn Credit Balance shall be applied in the manner specified by the Recipient, or in the absence of any specification by the Recipient, in the following manner: (A) if the Financing Agreement provides for the separate amortization of specified Disbursed Amounts of the principal of the Credit, the prepayment shall be applied in the inverse order of such Disbursed Amounts, with the Disbursed Amount which has been withdrawn last being repaid first and with the latest maturity of said Disbursed Amount being repaid first; and (B) in all other cases, the prepayment shall be applied in the inverse order of the Credit maturities, with the latest maturity being repaid first.

(b) The prepayment premium payable under paragraph (a) of this Section shall be an amount reasonably determined by the Association to represent any cost to it of redeploying the amount to be prepaid from the date of its prepayment to its maturity date.

(c) If, in respect of any amount of the Credit to be prepaid, a Conversion has been effected and the Conversion Period has not terminated at the time of prepayment: (i) the Recipient shall pay a transaction fee for the early termination of the Conversion, in such amount or at such rate as announced by the Association from time to time and in effect at the time of receipt by the Association of the Recipient's notice of prepayment; and (ii) the Recipient or the Association, shall pay an Unwinding Amount, if any, for the early termination of the Conversion, in accordance with the Conversion Guidelines. Transaction fees provided for under this paragraph and any Unwinding Amount payable by the Recipient pursuant to this paragraph shall be paid at the time of the prepayment and in any event, no later than sixty (60) days after the date of prepayment.

(d) Notwithstanding Section 3.11 (a) above and unless the Association agrees otherwise, the Recipient may not prepay in advance of maturity any portion of the Withdrawn Credit Balance that is subject to a Currency Conversion that has been effected through a Currency Hedge Notes Transaction.

Part C. Financing Terms Applicable to Both Concessional Financing and Non-concessional Financing

Section 3.12 Application of Part C to Article III

The provisions of Part C to this Article III shall solely apply to both Concessional Financing and Non-concessional Financing.

Section 3.13 Partial Payment

If the Association at any time receives less than the full amount of any Financing Payment then due, it shall have the right to allocate and apply the amount so received in any manner and for such purposes under the Financing Agreement as it determines in its sole discretion.

Section 3.14 Place of Payment

All Financing Payments shall be paid at such places as the Association shall reasonably request.

Section 3.15 Currency of Payment

(a) The Recipient shall pay all Financing Payments in the Payment Currency, and if a Conversion has been effected in respect of any amount of a Credit qualifying as Non-concessional Financing, as further specified in the Conversion Guidelines.

(b) If the Recipient so requests, and the Association agrees to such a request, the Association shall, acting as agent of the Recipient, and on such terms and conditions as the Association shall determine, purchase the Payment Currency for the purpose of paying a Financing Payment upon timely payment by the Recipient of sufficient funds for that purpose in a Currency or Currencies acceptable to the Association; provided, however, that the Financing Payment shall be deemed to have been paid only when and to the extent that the Association has received such payment in the Payment Currency.

Section 3.16 Amount of Repayment

Where the Credit is denominated in SDR, and in accordance with Section 2.01(a), the Withdrawn Credit Balance repayable shall be the equivalent (determined as of the date, or the respective dates, of repayment) of the value of the Currency or Currencies withdrawn from the Credit Account expressed in terms of Special Drawing Rights as of the respective dates of withdrawal.

Section 3.17 Valuation of Currencies

Whenever it becomes necessary for the purposes of any Legal Agreement, to determine the value of one Currency in terms of another, such value shall be as reasonably determined by the Association.

Section 3.18 *Manner of Payment*

- (a) Any Financing Payment required to be paid to the Association in the Currency of any country shall be paid in such manner, and in the Currency acquired in such manner, as shall be permitted under the laws of such country for the purpose of making such payment and effecting the deposit of such Currency to the account of the Association with a depository of the Association authorized to accept deposits in such Currency.
- (b) All Financing Payments shall be paid without restrictions of any kind imposed by, or in the territory of, the Recipient, and without deduction for, and free from, any Taxes levied by, or in the territory of, the Recipient.
- (c) The Legal Agreements shall be free from any Taxes levied by, or in the territory of the Recipient, or in connection with their execution, delivery or registration.

Section 3.19 *Temporary Currency Substitution*

- (a) If the Association reasonably determines that an extraordinary situation has arisen under which the Association shall be unable to provide the Credit Currency at any time for purposes of funding the Credit, the Bank may provide such substitute Currency or Currencies (“Substitute Credit Currency”) for the Credit Currency (“Original Credit Currency”) as the Association shall select. During the period of such extraordinary situation: (i) the Substitute Credit Currency shall be deemed to be the Credit Currency for purposes of the Legal Agreements; and (ii) Financing Payments shall be paid in the Substitute Credit Currency, and other related financial terms shall be applied, in accordance with principles reasonably determined by the Association. The Association shall promptly notify the parties of the occurrence of such extraordinary situation, the Substitute Credit Currency and the financial terms of the Credit related to the Substitute Credit Currency.
- (b) Upon notification by the Association under paragraph (a) of this Section, the Recipient may within thirty (30) days thereafter notify the Association of its selection of another Currency acceptable to the Association as the Substitute Credit Currency. In such case, the Association shall notify the Recipient of the financial terms of the Credit applicable to said Substitute Credit Currency, which shall be determined in accordance with principles reasonably established by the Association.

Section 4.01 *Application of Article IV*

The provisions of this Article IV shall apply solely to Non-concessional Financing.

Section 4.02 *Conversions Generally*

(a) The Recipient may, at any time, request a Conversion of the terms of the Non-concessional Financing in accordance with the provisions of this Section in order to facilitate prudent debt management. Each such request shall be furnished by the Recipient to the Association in accordance with the Conversion Guidelines and, upon acceptance by the Association, the conversion requested shall be considered a Conversion for the purposes of these General Conditions.

(b) Subject to Section 4.02 (e) below, the Recipient may at any time request any of the following Conversions: (i) a Currency Conversion, including Local Currency Conversion and Automatic Conversion into Local Currency; (ii) an Interest Rate Conversion, including Automatic Rate Fixing Conversion; and (iii) an Interest Rate Cap or Interest Rate Collar. All Conversions shall be effected in accordance with the Conversion Guidelines and may be subject to such additional terms and conditions as may be agreed between the Association and the Recipient.

(c) Upon acceptance by the Association of a request for a Conversion, the Association shall take all actions necessary to effect the Conversion in accordance with the Financing Agreement and the Conversion Guidelines. To the extent any modification of the provisions of the Financing Agreement providing for withdrawal or repayment of the proceeds of the Credit is required to give effect to the Conversion, such provisions shall be deemed to have been modified as of the Conversion Date. Promptly after the Execution Date for each Conversion, the Association shall notify the Recipient of the financial terms of the Credit, including any revised amortization provisions and modified provisions providing for withdrawal of the proceeds of the Credit.

(d) The Recipient shall pay a transaction fee in connection with each Conversion, in such amount or at such rate as announced by the Association from time to time and in effect on the date of the Association's acceptance of the Conversion request. Transaction fees provided for under this paragraph shall be either: (i) payable as a lump sum not later than sixty (60) days after the Execution Date; or (ii) expressed as a percentage per annum and added to the interest rate payable on each Payment Date.

(e) Except as otherwise agreed by the Association, the Recipient may not request additional Conversions of any portion of the Withdrawn Credit Balance that is subject to a Currency Conversion effected by a Currency Hedge Notes Transaction or otherwise terminate such Currency Conversion, for so long as such Currency Conversion is in effect. Each such Currency Conversion shall be effected on such terms and conditions as may be separately agreed by the Association and the Recipient and may include transaction fees to cover the underwriting cost of the Bank in connection with Currency Hedge Notes Transaction.

(f) The Association reserves the right at any time to terminate a Conversion prior to its maturity if: (i) the underlying hedging arrangements undertaken by the Association in connection with the said Conversion are terminated as a result of it becoming impractical, impossible or unlawful for the Association or its Counterparty to make a payment or to receive a payment on the terms agreed upon due to the: (A) adoption of, or any change in, any applicable law after the date on which such Conversion is executed; or (B) interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date or any change in any such interpretation; and (ii) the Association is unable to find a replacement hedging arrangement. Upon any such termination, provisions of Section 4.07 apply.

Section 4.03 *Conversion to a Fixed Rate or Fixed Spread of Credit that Accrues Interest at a Rate Based on the Variable Spread*¹

A Conversion to a Fixed Rate or a Variable Rate with a Fixed Spread of all or any amount of the Credit that accrues interest at a rate based on the Variable Spread shall be effected by fixing the Variable Spread applicable to such amount into the Fixed Spread for the Credit Currency, applicable on the date of the Conversion request, and in the case of a Conversion to a Fixed Rate, followed immediately by the Conversion requested by the Recipient.

The Recipient shall repay such principal amount as subsequently withdrawn in the Approved Currency in accordance with the provisions of the Financing Agreement.

(b) *Currency Conversion of Withdrawn Amounts.* In the event of a Currency Conversion of an amount of the Withdrawn Credit Balance to an Approved Currency, the principal amount of the Credit so converted shall be determined by the Association by multiplying the amount to be so converted in its Currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Association under the Currency Hedge Transaction relating to the Conversion; or (ii) if the

(b) *Interest Rate Collar.* Upon the establishment of an Interest Rate Collar on the Variable Rate, the Recipient shall, for each Interest Period during the Conversion Period, pay interest on the amount of the Withdrawn Credit Balance to which the Conversion applies at the Variable Rate, unless with respect to the said Conversion Period: (i) for a Credit that accrues interest at a Variable Rate based on a Reference Rate and the Fixed Spread, the Variable Rate⁴: (A) exceeds the upper limit of the Interest Rate Collar, in which case, for the relevant Interest Period, the Recipient shall pay interest on such amount at a rate equal to such upper limit; or (B) falls below the lower limit of the Interest Rate Collar, in which case, for the relevant Interest Period, the Recipient shall pay interest on such amount at a rate equal to such lower limit; or (ii) for a Credit that accrues interest at a Variable Rate based on a Reference Rate and the Variable Spread, the Reference Rate: (A) exceeds the upper limit of the Interest Rate Collar, in which case, for the relevant Interest Period, the Recipient shall pay interest on such amount at a rate equal to such upper limit plus the Variable Spread; or (B) falls below the lower limit of the Interest Rate Collar, in which case, for the relevant Interest Period, the Recipient shall pay interest on such amount at a rate equal to such lower limit plus the Variable Spread.

Such premium shall be payable by the Recipient (i) not later than sixty (60) days after the Execution Date; or (ii) promptly following the Execution Date for an Interest Rate Cap or Interest Rate Collar for which the Recipient has requested that the premium be paid out of the proceeds of the Credit, the Association shall, on behalf of the Recipient, withdraw from the Credit Account and pay to itself the amounts required to pay any premium payable in accordance with this Section up to the amount allocated from time to time for that purpose in the Financing Agreement.

Section 4.07 *Early Termination.*

(b) The Member Country shall report “long-term external debt” (as defined in the World Bank’s Debtor Reporting System Manual, dated January 2000 (“DRSM”), as may be revised from time to time), in accordance with the DRSM, and in particular, to notify the Association of new “loan commitments” (as defined in the DRSM) not later than thirty (30) days after the end of the quarter during which the debt is incurred, and to notify the Association of “transactions under loans” (as defined in the DRSM) annually, not later than March 31 of the year following the year covered by the report.

(c) If the Association has notified the Recipient that the Recipient is subject to its policies on non-concessional borrowing, the Recipient shall: (i) notify the Association at least three months prior to incurring any non-concessional long-term external debt, of its intention to incur such debt, together with the proposed terms of such debt; and (ii) afford the Association reasonable opportunity to exchange views with the Recipient on the matter. Section 6.02 *Financial Condition*

If the Association has determined that the financial condition of the Recipient, which is not the Member Country, or the Project Implementing Entity, is a material factor in the Association's decision to lend, the Association shall have the right, as a condition to lend, to require that such recipient or Project Implementing Entity provides the Association with representations and warranties related to its financial and operating conditions, satisfactory to the Association.

ARTICLE VII

Negative Pledge

Section 7.01 *Application of Article VII*

The provisions of this Article VII shall apply solely to Non-concessional Financing.

Section 7.02 *Negative Pledge*

(a) It is the policy of the Association, in providing Credits to, or with the guarantee of, its member countries not to seek, in normal circumstances, special security from the member country concerned but to ensure that no other Covered Debt shall have priority over its Credits in the allocation, realization or distribution of foreign exchange held under the control or for the benefit of such member country. To that end, if any Lien is created on any Public Assets as security for any Covered Debt, which will or might result in a priority for the benefit of the creditor of such Covered Debt in the allocation, realization or distribution of foreign exchange, such Lien shall, unless the Association shall otherwise agree, *ipso facto* and at no cost to the Association, equally and ratably secure all Financing Payments, and the Member Country, in creating or permitting the creation of such Lien, shall make express provision to that effect; provided, however, that if for any constitutional or other legal reason such provision cannot be made with respect to any Lien created on assets of any of its political or administrative subdivisions, the Member Country shall promptly and at no cost to the Association secure all Financing Payments by an equivalent Lien on other Public Assets satisfactory to the Association.

(b) The Recipient which is not a Member Country undertakes that, except as the Association shall otherwise agree:

- (i) if it creates any Lien on any of its assets as security for any debt, such Lien will equally and ratably secure the payment of all Financing Payments and in the creation of any such Lien express provision will be made to that effect, at no cost to the Association; and
- (ii) if any statutory Lien is created on any of its assets as security for any debt, it shall grant at no cost to the Association, an equivalent Lien satisfactory to the Association to secure the payment of all Financing Payments.

(c) The provisions of paragraphs (a) and (b) of this Section shall not apply to: (i) any Lien created on property, at the time of purchase of such property, solely as security for the payment of the purchase price of such property or as security for the payment of debt incurred for the purpose of

financing the purchase of such property; or (ii) any Lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after the date on which it is originally incurred.

(d) The Member Country represents, as of the date of the Financing Agreement, that no Liens exist on any Public Assets, as security for any Covered Debt, except those listed in a notification from the Member Country to the Association and those excluded pursuant to paragraph (c) of this Section 7.02.

(e) Solely for the purposes of interpreting this Article VII, “Financing Payment” means any amount: (i) payable by the Member Country to the Association; or (ii) payable by the party to the Financing Agreement which is not a Member Country, to the Association; pursuant to the Financing Agreement or these General Conditions, including (but not limited to) any amount of the Withdrawn Credit Balance, the Service Charge, the Interest Charge, the Front-end Fee, the Commitment Charge, any prepayment premium, any transaction fee for a Conversion or early termination of a Conversion, any premium payable upon the establishment of an Interest Rate Cap or Interest Rate Collar, and any Unwinding Amount payable by such party, as applicable; *provided that* no amount referred to in this Section 7.02 (e) shall be an amount payable in respect of Concessional Financing.

(f) Solely for the purposes of this Article VII, “Financing Agreement” means the financing agreement between: (i) the Recipient and the Association; or (ii) another party and the Association; providing for the Financing, as such agreement may be amended from time to time. “Financing Agreement” includes these General Conditions as applied to the Financing Agreement, and all appendices, schedules and agreements supplemental to the Financing Agreement.

ARTICLE VIII

The Recipient may, by notice to the Association, cancel any amount of the Unwithdrawn Financing Balance, except that the Recipient may not cancel any such amount that is subject to a Special Commitment.

Section 8.02 *Suspension by the Association*

If any of the events specified in paragraphs (a) through (m) of this Section occurs and is continuing, the Association may, by notice to the Recipient, suspend in whole or in part the right of the Recipient to make withdrawals from the Financing Account. Such suspension shall continue until the event (or events) which gave rise to suspension has (or have) ceased to exist, unless the Association has notified the Recipient that such right to make withdrawals has been restored.

(a) *Payment Failure.* The Recipient has failed to make payment (notwithstanding the fact that such payment may have been made by a third party) of principal, service charges, interest charges, or any other amount due to the Association or the Bank: (i) under the Financing Agreement; or (ii) under any other agreement between the Recipient and the Association; or (iii) under any agreement between the Recipient and the Bank; or (iv) in consequence of any guarantee

extended or other financial obligation of any kind assumed by the Association or the Bank to any third party with the agreement of the Recipient.

(b) *Performance Failure.*

- (i) The Recipient has failed to perform any other obligation under the Financing Agreement, or to the extent applicable, under any Derivatives Agreement.
- (ii) The Project Implementing Entity has failed to perform any obligation under the Project Agreement or the Subsidiary Agreement.

(d) *Cross Suspension.*

- (i) The Association or the Bank has suspended in whole or in part the right of the Recipient to make withdrawals under any agreement with the Association or with the Bank because of a failure by the Recipient to perform any of its obligations under such agreement or any other agreement with the Association.
- (ii) The Bank has suspended in whole or in part the right of any borrower to make withdrawals under a loan agreement with the Bank guaranteed by the Recipient because of a failure by such borrower to perform any of its obligations under such agreement or any other agreement with the Bank.

(e) *Extraordinary Situation.* As a result of events which have occurred after the date of the Financing Agreement, an extraordinary situation has arisen which makes it improbable that the Project can be carried out or that the Recipient or the Project Implementing Entity will be able to perform its obligations under the Legal Agreement to which it is a party.

(f) *Event prior to Effectiveness.* The Association has determined after the Effective Date that prior to such date but after the date of the Financing Agreement, an event has occurred which would have entitled the Association to suspend the Recipient's right to make withdrawals from the Financing Account if the Financing Agreement had been effective on the date such event occurred.

(g) *Misrepresentation.* A representation made by the Recipient in or pursuant to the Financing Agreement, or any representation or statement furnished by the Recipient, and intended to be relied upon by the Association in making the Financing, was incorrect in any material respect.

(h) *Co-financing.* Any of the following events occurs with respect to any financing specified in the Financing Agreement to be provided for the Project ("Co-financing") by a financier (other than the Association or the Bank) ("Co-financier"):

- (i) If the Financing Agreement specifies a date by which the agreement with the Co-financier providing for the Co-financing (“Co-financing Agreement”) is to become effective, the Co-financing Agreement has failed to become effective by that date, or such later date as the Association has established by notice to the Recipient (“Co-financing Deadline”); provided, however, that the provisions of this sub-paragraph shall not apply if the Recipient establishes to the satisfaction of the Association that adequate funds for the Project are available from other sources on terms and conditions consistent with its obligations under the Financing Agreement.
- (ii) Subject to sub-paragraph (iii) of this paragraph: (A) the right to withdraw the proceeds of the Co-financing has been suspended, canceled or terminated in whole or in part, pursuant to the terms of the Co-financing Agreement; or (B) the Co-financing has become due and payable prior to its agreed maturity.
- (iii) Sub-paragraph (ii) of this paragraph shall not apply if the Recipient establishes to the satisfaction of the Association that: (A) such suspension, cancellation, termination or prematuring was not caused by the failure of the recipient of the Co-financing to perform any of its obligations under the Co-financing Agreement; and (B) adequate funds for the Project are available from other sources on terms and conditions consistent with the Recipient’s obligations under the Financing Agreement.

(i) *Assignment of Obligations; Disposition of Assets.* The Recipient or the Project Implementing Entity (or any other entity responsible for implementing any part of the Project), has, without the consent of the Association: (i) assigned or transferred, in whole or in part, any of its obligations arising under or entered into pursuant to the Legal Agreements; or (ii) sold, leased, transferred, assigned, or otherwise disposed of any property or assets financed wholly or in part out of the proceeds of the Financing; provided, however, that the provisions of this paragraph shall not apply with respect to transactions in the ordinary course of business which, in the opinion of the Association: (A) do not materially and adversely affect the ability of the Recipient or of the Project Implementing Entity (or such other entity) to perform any of its obligations arising under or entered into pursuant to the Legal Agreements or to achieve the objectives of the Project; and (B) do not materially and adversely affect the financial condition or operation of the Project Implementing Entity (or such other entity).

(j) *Membership.* The Recipient: (i) has been suspended from membership in or ceased to be a member of the Association; or (ii) has ceased to be a member of the International Monetary Fund.

as of the date of the Financing Agreement.

- (iii) In the opinion of the Association, the legal character, ownership or control of the Project Implementing Entity (or of any other entity responsible for implementing any part of the Project) has changed from that prevailing as of the date of the Legal Agreements so as to materially and adversely affect the ability of the Recipient or of the Project Implementing Entity (or such other entity) to perform any of its obligations arising under or entered into pursuant to the Legal Agreements, or to achieve the objectives of the Project.

(l) *Ineligibility.* The Association or the Bank has declared the Project Implementing Entity ineligible to receive proceeds of any financing made by the Association or the Bank or otherwise to participate in the preparation or implementation of any project financed in whole or in part by the Association or the Bank, as a result of: (i) a determination by the Association or the Bank that the Project Implementing Entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of any financing made by the Association or the Bank; and/or (ii) a declaration by another financier that the Project Implementing Entity is ineligible to receive proceeds of any financing made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Project Implementing Entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of any financing made by such financier.

(m) *Additional Event.* Any other event specified in the Financing Agreement for the purposes of this Section has occurred (“Additional Event of Suspension”).

Section 9.03 *Arbitration*

In case any arbitrator appointed in accordance with this Section resigns, dies or becomes unable to act, a successor arbitrator shall be appointed in the same manner as prescribed in this Section for the appointment of the original arbitrator and such successor shall have all the powers and duties of such original arbitrator.
- (d) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the relief sought and the name of the arbitrator appointed by the party instituting such proceeding. An award signed by a majority of the Arbitral Tribunal shall constitute the award of the Arbitral Tribunal. A signed counterpart of the award shall be transmitted to each party.
